in a tenement-house. Frank Cox was want and suffering and to save his family the one yesterday morning. It is more from starvation? than likely that his prompt arousal of the tenants in a big Greenwich street house saved several lives. Certainly the low right man." Good for Franc Cox.

THE BORDEN CASE

LIZZIE BORDEN is now under arrest and a prisoner in Taunton pail, charged with the murder of her father and step mother. The crime is so revolting that people have been unwilling to believe in the voting woman's guilt, and the evidence against cities her, as far as known, is certainly circum-stantial only. Resoles, the proceedings in such a case in Massachusetts seem to be modelled a little too much on the French secret monisition plan and have about them too much secreey and mys tery to suit the American mind,

held without a Coroner's presence, the presiding official being the same magis- have already discovered that he has Mrs. trate who afterwards hears the charge in court. Miss Bonnes was denied the privilege of counsel and was put through hours ture to her, notwithstanding her great nerve and iron will. Then the prosecution withholds all information as to the THE WORLD will not, under any circum- evidence or the proofs it has secured stances, hold tiself responsible for the return against the accused. She is called upon er safe-keeping of any rejected manuscripts to plead in court without knowing anyor pictures, of schatsoever character or value. thing of the case against her. Of course, Canada. will the editor enter into correspondence conproceedings are too secret and inquisitorial to satisfy the American mind.

It is to be hoped that the daughter may be found innocent of the horrible and unnatural crime with which she is charged. At the same time, it is most desirable that the guilty person should be detected and punished, even if the criminal should be the person now under suspicion of the double murder.

THE BIN OF SYMPATHY.
